

Dear FCC,
Please do a better
job of serving our
democracy and our
country.

Sinclair
Broadcasting's
decision to air an
anti-Kerry
documentary days
before the election
is a clear example
of the dangers of
media consolidation.

Note that this is a
central corporate
decision that forces
local action.

Sinclair uses the
public airwaves free
of charge, and is
obligated by law to
serve the public
interest. This
central control the
airwaves serves only
the personal views
of the corporation's
owner, not the
public.

Sinclair's actions
show why the license
renewal process
needs to involve
more than a returned
postcard. The next
renewal in my State
is not due for 11
months. I won't
forget at this
affront to the
people of Virginia.

Please do your job
for the country we
both share.
Thank you,
--J. I. Nelson,
Ph.D.
